CROOKED CREEK PUDDINGS 400g & 800g

Authentic English Christmas Pudding means a pudding made with suet. It enhances the flavour and also results in the pudding being lower in fat. That is not to say Crooked Creek's pudding is not rich – it's jubilant with fruit (52%) and Stout (10%) and Muscat.

No less than 23 ingredients jostle with each other to give layers of taste as you indulge – what celebrating should be all about.

There is no other pudding like Christmas pudding, steeped in tradition.

Already steamed by us in its basin, all that is left for you to do is gently reheat in its basin, tip out and serve as a fitting finale to your festive meal.

No trans fat or seed oils

No artificial colours, flavours, preservatives, soya, palm oil or GM ingredients

GLUTEN FREE - CHRISTMAS PUDDING 400g

Replacing the Suet with Butter and carefully crafting the old recipe with Gluten Free flour and rice crumb results in this pudding being equally distinct and rich. This recipe is jubilant with fruit (56%) and Stout (10%) and Muscat. No less than 23 ingredients jostle with each other to give layers of taste as you indulge – what celebrating should be all about.

Already steamed by us in its basin, all that is left for you to do is gently reheat in its basin, tip out and serve as a fitting finale to your festive meal.

This gluten free and vegetarian pudding is a show stopper!

Gluten Free – lab tested at less than 5 parts per million of gluten

Warning : Stout (Coopers Best Stout) contains Malted Barley therefore may contain traces of gluten Vegetarian 56% Fruit
